INDEX 1 & 2

BIRTHS - MARRIAGES - DEATHS - 1746-1850

A record compiled by George A. Shepard who was town Clerk 1875-1893. (He died April 18th 1893 at the age of 72 years, 3 months & 25 days)

Shepard transfered the statistics from the old records in 1884. The volume, much used over the years, is in disrepair. In the early 1970s these records were card indexed by then town clerk, Flora B. Rhodes, and the need for continually thumb,-ing through this book ceased.

Most of these records were picked up from Volumes 1 and 2 of the town records by Shepard. However he did not say where the records could be found in said Volumes 1 and 2. Page and volume were added by Rhodes. Omissions were also added to the index and errors corrected. (Shepard's index was copied by Rhodes in 1986.)

Shepard also recorded in this volume statistics of residents residing in the District of Southfield (annexed to Sandisfield in 1819). These records appear nowhere else but were indexed along with those found in Volumes 1 and 2.

On the first page of the volume Shepard wrote the following:

Note - I have followed the same orthography as in the original records, mostly, but changed the spelling of some names where it was manifestly an error. - Some spelled their names differently from what their descendants spell them. For instance: Bowman has been changed to Boardman, Rice to Royce. The descendants of the elder Benjamin Parsons spell their name Persons.

Geo. A. Shepard
Town Clerk

Intentions of Marriage, 1894-1905, begin on page 619. They were added to the book by then town clerk Wesley N. Clark.
